

THE END OF
ALZHEIMER'S
STARTS
WITH YOU.

alzheimer's  association®

dancing stars
of Coastal Georgia

The critical dollars raised through **Dancing Stars of Coastal Georgia** fund our care and support programs and Alzheimer's research. We thank you for your commitment!

This year, we are thrilled to announce we are taking the 2022 event **Live**. There we will present our incredible Stars that have teamed up with a Professional Dancer! Throughout the night, you will see some incredible dance performances while being able to raise critical funds for the Alzheimer's Association. Please join us as we continue to realize our vision of living in a world without Alzheimer's and all other dementia!

More than 6 million Americans are living with the disease.

Every 65 seconds someone in the United States develops Alzheimer's.

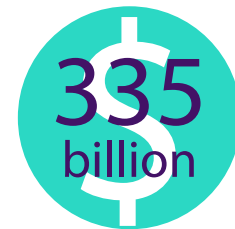

Alzheimer's disease is the 6th leading cause of death in the United States.

More than 11 million Americans provide unpaid care for people with Alzheimer's and other dementias.

1 in 3 seniors dies with Alzheimer's or another dementia.

\$335 billion is the estimated amount Alzheimer's and other dementias will cost health care, long-term care and hospice in 2020.

The Alzheimer's Association leads the way to end Alzheimer's and all other dementia — by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support.
